The Bloomfield College Nursing Student Association (BCNSA) is a student led organization that empowers nursing students to explore educational and employment opportunities, benefit their college community, and support each other through their journey into the nursing profession. All nursing and pre-nursing students are greatly encouraged to become active in BCNSA and to take full advantage of all networking, fundraising, and social activities carried out by the organization. For further information about BCNSA feel free to contact one of the board members or faculty advisor.
